## **BEST PRACTICES SPRING YOUTH FAIR**

- ✓ Each Individual Department Superintendent is a voting member of our board of directors. The board decides on every aspect of our fair from gate prices to vendors and carnival.
- ✓ All of our exhibitors receive prize money in cash during the fair.
- ✓ We have no geographic boundaries. Our exhibitors are welcome from anywhere.
- ✓ Our exhibitors can "borrow" an animal to show on an age-appropriate basis.
- ✓ Our still life exhibits can be school projects.
- ✓ All kids under the age of 19 are welcome to participate and learn.
